Strategy

Artificial Intelligence

We leverage on generative A.I. to enhance our trading by analysing vast amounts of market data to identify patterns and generate predictive models for price movements.

Automate Trading

We automate trading algorithms to adapt to changing market conditions in real-time, improving decision-making efficiency.

Optimized Portfolio

Our A.I optimize portfolio management by dynamically adjusting asset allocations based on evolving market trends in real time.

Our Exit Strategies

Profit-Taking Mechanisms

Set predefined thresholds for taking profits on high-performing assets.

Loss Limits

Implement stop-loss orders to limit potential losses.

Disclaimer: The returns on investment as per shown are historical results and do not represent the returns of an actual account. Actual fund returns may differ from the historical returns of the investment. Past performance is no indication of current or future performance. Past performance does not guarantee future results. No guarantee is given by the Fund Manager and the Portfolio Manager that the investment objective of the Fund will be achieved. The investment return and principal value of an investment will fluctuate so that an investor's capital, when redeemed, may be worth more or less than their original capital. The performance data do not take account of the commissions and costs incurred during redemption.

Investment Amount (USD)	Tenure/Interest Rate (Per Annum)		
	12 Months	18 Months	24 Months
10K – 100K	12%	13%	15%
101K – 200K	15%	16%	18%
201K – 500K	18%	19%	21%

Legacy Secure Capital Fund

Objective

To provide investors with a stable, low-risk investment option while offering modest returns and protecting their capital.

Key Features

- **Capital Protection** 100% capital protection ensures that investors' principal is safeguarded.
- **Returns** Generates returns in the range of 1% to 1.5% monthly.
- **Liquidity** Monthly or quarterly redemption options.
- **Fees** Management fee of 2% annually with no performance fee due to the focus on capital protection.
- **Minimum Investment** \$10,000 (USD)

Legacy High-Growth Equity Fund

Objective

To offer significant profit-sharing potential for investors who are comfortable with higher risk and potential drawdowns.

Key Features

- **Drawdown** Capable of experiencing up to 50% drawdown, reflecting high volatility and risk.
- **Returns** Potential for high returns depending on market performance and investment opportunities.
- **Profit Sharing** Investors receive 60% of the profits generated by the fund.
- **Fees** Performance fee of 40% on profits (after the profit-sharing split) plus a management fee of 2% annually.
- **Liquidity** Quarterly or 6 months redemption options.
- **Minimum Investment** \$10,000 (USD)
